# GENERAL

My figures are crocheted in continuous spiral rounds, unless stated otherwise.

The toys should be crocheted as tight as possible, so the stuffing does not shine through.

I regularly use yarn for hook size 3,5mm – 4mm and a hook size 2,5mm (C/D).

The colors and yarn in this pattern are just a suggestion. Of course you can use your favorite colors and yarn. That's why I usually don't indicate color numbers or manufacturers.

However: Please be aware not to mix different manufacturers. It is important to compare the strength and length of the used yarn. Example: Using a 200m/50g and a 130m/50g for one figure will lead to wrong proportions. I exclusively use synthetic yarn.
